TEAMWORK

SHARKS MISSION

The mission of the Nebraska Youth Athletic Association is to provide the opportunity for youth to learn and refine their athletic skills in a competitive environment while promoting the ideals of teamwork, sportsmanship, leadership, self-esteem and citizenship, thus preparing them for a successful future.

SHARKS PHILOSOPHY

We believe football allows children of various sizes, athletic ability, and backgrounds to work together for a common goal. Football, unlike any other youth sport, builds character, discipline, work ethic and a sense of team unity.

Our goal is to instill these fundamental personal characteristics into our players while also teaching correct fundamentals of football during practices and games. Every child has potential and we believe part of our job is to realize that potential and teach your child how to utilize it for the benefit of the team and themselves.

ADDITIONAL PHILOSOPHY BELIEFS

- Non-Parent head coaches
- Teach fundamentals to all kids regardless of size and ability.
- Play the best to be the best.
- Expose athletes to broad competition base – currently play Lincoln, Omaha, surrounding communities and other states.
- Provide coaches that have strong football background and coaching experience.
- Prepare athletes for high school.

DEDICATED TO MAKING A DIFFERENCE IN TODAY'S YOUTH!
